September 2023

## INSIDE THIS ISSUE

### 1) NEW DISTRIBUTION CENTRE

“At Simply Precast, we're not just your precast solutions provider; we're your partner in progress.”

## NEW DISTRIBUTION CENTRE

For over a decade, Simply Precast has been a leading provider of precast lifting and fixing systems in the UK and Ireland. Our unwavering commitment to excellence and a robust supply chain network have solidified our position as a preferred supplier in this industry.

Understanding the demands of our fast-paced environment, we've geared ourselves up to deliver precisely when you need it. We maintain substantial stock levels in our well-equipped warehouses to ensure that your orders are met with efficiency and reliability.

In our relentless pursuit of enhancing our services, we are thrilled to announce the opening of a new cutting-edge warehousing and distribution center in Liverpool, UK. This state-of-the-art facility signifies our dedication to meeting and exceeding your expectations.

Our customers place their trust in us, and we take pride in rewarding that trust by continuously pushing the boundaries of what's possible. Our new warehouse facility represents yet another stride towards realizing our mission - delivering first-class precast solutions with unrivalled quality and precision.

At Simply Precast, we're not just your precast solutions provider; we're your partner in progress. Thank you for choosing us, and we look forward to serving you even better with our new facility.

Stay tuned for more exciting updates and developments from Simply Precast!
